PROPERTY DESCRIPTION

Over 4200 sf, on over one acre, with views in a million dollar neighborhood for only \$211 per square foot! What a deal! If you have a family or entertain lots of company this is the home for you! All bedrooms are oversized have their own bath. The upstairs also has a loft area to serve as an office or a perfect place for the kids to work on computers in the open. The pool & spa overlook miles of mountain views including Four Peaks. There are lots of extras like a stunning 2-way fireplace, solid wood doors & trim, walls of windows, four outdoor patios/verandas. For car buffs the overhight 3-car garage is tall enough for a lift. Priced right so you can update your way!
